Dear Sir,

Further to your letter dated **11/16/2004 regarding unsigned amendments & response papers** which was received at my office on **15th December 2004**. The package seems to have been delayed or was not sent by airmail and has the post mark 'Port Paye France' on the outside.

I am sending this fax for your approval of the procedure, before submitting by post. I will try and telephone you on Monday 20th December 2004. to confirm.

I am enclosing the following documents which I hope will satisfy your requirements re the above patent pending.

- 1) A Full Copy of the Assignment of the Assignor's Interest. Recordation date 07/16/2003.
- 2) A duly signed letter from myself as the sole assignee, for inclusion with my corrections & re-examination papers recorded by yourselves as August 25th 2004.

I hope that this is all that is required. Could you let me know if there is anything else that is required. Thank you for your help in this matter.

Yours sincerely

S.M. Worth
